

Educators Recognition Award

Do you know an educator (teacher, counselor, secretary, or other school staff) who has made a positive impact on your child's life? The Children's Program wants to recognize those who make school a better place for children.

WE NEED YOUR STORIES!

Tell us about an educator who has made a positive impact in your child's life. If selected, your nominated staff member will receive a certificate and a check for **\$200 to help offset the cost of classroom expenses. To nominate a teacher, simply complete a nomination form and return it to your clinician or anyone at the front desks.**

You can also fill out the form online at childrensprogram.com
